Signature of SLP Support Personnel & Supervisor: SLP Support Personnel must complete and sign the above renewal application. The supervisor must include their license number and also sign the above renewal application in the space provided. If this is not complete, it will delay the processing of the renewal application.

Failure to Renew: Your SLP Support Personnel registration must be renewed on or before December 31, 2012, or the registration is automatically rendered invalid without any action by the Board and the affected individual may not continue working. If a supervisor allows SLP Support Personnel to continue working after the registration has expired, the supervisor is subject to disciplinary action, which may result in probation, suspension or revocation of the supervisor's license.

Changes in Supervision of Functions: If SLP Support Personnel has any change in functions or supervision, the Board requires that the SLP Support Personnel and supervisor file a new application and submit a \$50 fee at the time the change occurs. Do not submit the renewal application if any changes have occurred since you filed your original application for registration – or if you would like to apply to be registered as an Assistant or Associate SLP Support Personnel.
